### Buildings with a past

This is the Pierre Hotel in New York City. It's a beautiful hotel on Fifth Avenue in the center of the

city. It has fantastic views of Central Park. It's a luxury hotel and is famous for many reasons.

First, it often appears in TV shows. For example, *CSI: NY*, *The Sopranos*, and *Mad Men*. It appears in movies too, like *Scent of a Woman*. Second, the hotel was home to many famous guests, like movie star Elizabeth Taylor, clothes designer Yves St. Laurent, and business person John Paul Getty.

But the hotel is also famous because there was a big robbery. On January 2, 1972, the hotel's guests were asleep after celebrating New Year's Eve. Normally the hotel puts the guests' expensive jewelry in the vault. But that night it was in safe deposit boxes near reception – an easy place to steal from. That's why Samuel Nalo and Robert Comfort, the two famous robbers, were able to enter the hotel at 3:50 a.m. and take three million dollars in jewelry and cash in just two and a half hours! The hotel staff and some hotel guests were in handcuffs during the robbery, but luckily no one was hurt. The *Guinness Book of World Records* lists this robbery as the most successful hotel robbery in history!

Today, the Pierre Hotel has a beautiful reception area and three very nice restaurants. There are 189 bedrooms and they're all very comfortable. They have great views of New York City's famous skyline. This room has a large bed, a chair, a table, a television, and two lamps. It has a lovely marble bathroom, too.

But The Pierre is more than just a beautiful hotel, it's a part of New York City's history.
